1 II. AMENDMENT TO THE DRAWINGS.

2 1. The Examiner's Action at Page 4, Paragraph 2. states that "The reference number of
3 "6000" to designate the brake means in Fig. 1 should be changed to -600- to correspond
4 to the specification.

5 Your applicant observes that an arrow with numerical identifier 6000 points
6 toward the front of the device. This reference has been removed from Fig. 1. Your
7 applicant observes that an arrow with numerical identifier 600 points toward the brakes in
8 fig. 1. Your applicant believes that the needed correction has been made. On the
9 Replacement Sheet "6000" has been eliminated. On the Annotation Sheet the 6000
10 removed is identified and the 600 pointing to the brakes is identified.

11 2. The Examiner's Action at Page 4, paragraph 2 states that the drawings are objected to
12 as failing to include the following reference sign(s) mentioned in the description:

13 a. right lower section 445. Please see Replacement Sheet Fig. 1 to see that one of
14 the reference figures 447 has been changed to 445. See the Annotation Sheet for Fig. 1 to
15 see where the change has been implemented.

16 b. Left middle swing arm adjustment aperture 422. Please see Replacement Sheet
17 for Fig. 1 and Fig. 5 to see addition of 422 and see Annotation Sheet for Fig. 1 and Fig. 5
18 to see where the addition is made.

19 c. Left lower swing arm upper end 426. Please see Replacement Sheet for Fig. 1
20 to see addition of 426 and see Annotation Sheet for Fig. 1 to see where the addition is
21 made.

22 d. Left lower swing arm lower end 428. The Examiner has identified the need to
23 correct the Drawings by adding 428. However, by review of Fig. 1, it appears that 428 is
24 found in the Drawing at the lower swing arm lower end above and the the right of the left
25 front wheel. Please see the Annotation Sheet for Fig. 1 to see where 428 is found.

Application No. 10/688,488

Floyd E. Ivey, USPTO 35552,

1 e. Right lower swing arm lower end 448. Please see Replacement Sheet for Fig. 1
2 to see addition of 448 and see Annotation Sheet for Fig. 1 to see where the addition is
3 made.

4 f. Cable shield means 495. Please see Replacement Sheet for Fig. 1 to see
5 addition of 495 and see Annotation sheet for Fig. 1 to see where the addition is made.

6 g. Right foot pad first end 545. Please see Replacement Sheet for figure 10 to see
7 addition of 545 and see Annotation sheet for Fig. 10 to see where the addition is made.

8 h. Right foot pad center 555. Please see Replacement sheet for Fig. 10 to see
9 addition of 555 and see Annotation Sheet for fig. 10 to see where the addition is made.

REMARKS

Your applicant has responded to the Examiner's identified and required corrections to the Drawings. Your applicant has provided Replacement Sheets and Annotation Sheets. Your applicant has made a good faith effort to make the corrections identified or to point out existing numerical identifiers. Your applicant respectfully requests the Examiner to accept the Replacement Sheets and to withdraw the Objections and allow the Claims.

Respectfully submitted,

FLOYD E. IVEY
Registration No. 35,552

Telephone No. (509) 735-3581

CERTIFICATE OF TRANSMISSION:

The undersigned hereby certifies that this correspondence is being facsimile transmitted to the USPTO, #571-273-8300, ART UNIT 3764 on March 30, 2007.
